## RANGE

NBCF CODE	DESCRIPTION	COLOUR
NBCFCV63PI	NBCF Zero Vented Hard Hat with rear NBCF logo	Pink
NBCFCV63SO	NBCF Zero Vented Hard Hat with rear NBCF logo	Special Orange

## STANDARDS & CERTIFICATION

NBCF source their entire range of hard hats from a single manufacturing partner to ensure consistency and reliability of product. Most importantly NBCF have taken the further step by engaging SAI Global to periodically audit and certify both the manufacturing process and the products. All of NBCF's hard hats are certified to AS/NZS 1801. This standard in part ensures shock absorption, resistance to penetration, stiffness of the shell and electrical resistance are all within specified parameters. For Certified Australian Standard protection, only wear head protection with the Red Tick Tower.

## PART NUMBER

NBCFCV63PI  
NBCFCV63SO
